Roller Garage Doors

Whether you want a roller or sectional garage door we can help. Modern, secure, wireless systems can open your doors as you approach them, ensuring a non stop transition from outside, into the warmth and comfort of your garage.

Installation - Waltham Shutter Door Services offer a professional and efficient garage door installation service. From when we first discuss your requirements with you, until you are parking your car, you will be impressed with our efficiency and friendliness.

Service - We recommend servicing your garage door yearly, to ensure that all of the springs are properly tensioned, and guide rails clean and lubricated. It doesn't take long, you will be surprised how cheap it is, but more importantly you will be glad to know your doors are going to keep working!

Repair - If something goes wrong with your garage door and you cannot open or close it, call Waltham Shutter Door Services. Our fast and friendly service will get you sorted in no time - be it a quick fix to get you entry (or exit) from your garage, through to a permanent fix for your broken garage door.

Waltham Shutter Door Services offers a full suite of services for all your industrial door, shutter door, roller garage door and shop security shutter requirements. Our friendly, highly skilled, qualified service engineers are backed by full technical support across every part of our roller shutters product range.
